Pastor's Corner

October already, where has this year gone? Well let me start by saying how excited I am about some new directions that we are taking as a church. This month Mrs. Kristin Collins will be taking over as our Children's Ministry Director and I am so excited about the plans that she has for the children of our church. This month the children will be paired up with Senior's in our church for a Pumpkin Painting Party. This will be a wonderful opportunity for both groups to really connect with one another. This will take place on Saturday October 16th and there is a sign up sheet in the foyer of the church. Another new direction is a new Sunday School class for our college and career group. God has truly blessed us with some fantastic young people and I am thrilled that this class has come about. Mrs. Amy Somerset will be the teacher for this class and I am looking forward to great things. As I write this article I am reflecting on how God continues to pour out His blessing upon this church. As I mentioned at our September business meeting a generous member of our congregation came to me and stated that God was leading them to purchase a van for our church. This has been a long time prayer of mine and I have shared that with many of you over the past couple of years. Well, I am thrilled to report that the Lord has answered that prayer and we are picking up that van today. I pray that the God who has blessed us so greatly will also bless the ministry of this van to bring others to faith in Christ as a result. We have so much to be thankful for at West Pittman and I cannot wait to see what He does next.

Your Pastor,
Bro. Eddie
